Future Pathways has been created to help students and their families explore the wide range of opportunities available after GCSEs.

Meet colleges, sixth forms, apprenticeship providers, universities, employers, training organisations and careers support services – all under one roof.

Compare different pathways, ask the questions that matter to you and find out where each option could lead.

Who can attend?

- Year 10 & 11 students
- Parents and carers
- Anyone exploring post-16 options

Free tickets

Students, parents & carers welcome
